## SPILL KIT INFORMATION

For spills greater than 1 L of flammable, toxic or hazardous materials, immediately evacuate the area and call 911 for assistance. Once outside the building, call Campus Security at 604-822-2222 for support.

Common Spill Kit located near rooms:  
A237, A333, B170, C124E, D413, E219, and E411

Hydrofluoric Acid Spill Kit located:  
Inside Glassblower's Shop D113

For spill clean-up advice, contact Chemistry Department Safety Office at 604-827-5216. For after hours and weekend assistance call Campus Security and request UBC SRS contact.

All incidents, accidents, and near misses, must be reported to your supervisor immediately. Both the supervisor and person involved must report the incident at [www.cairs.ubc.ca](http://www.cairs.ubc.ca) as soon as it is possible.
