

## CHEMISTRY DEPT. FIRST AID RESPONSE (approx. 1-5 min. response time)

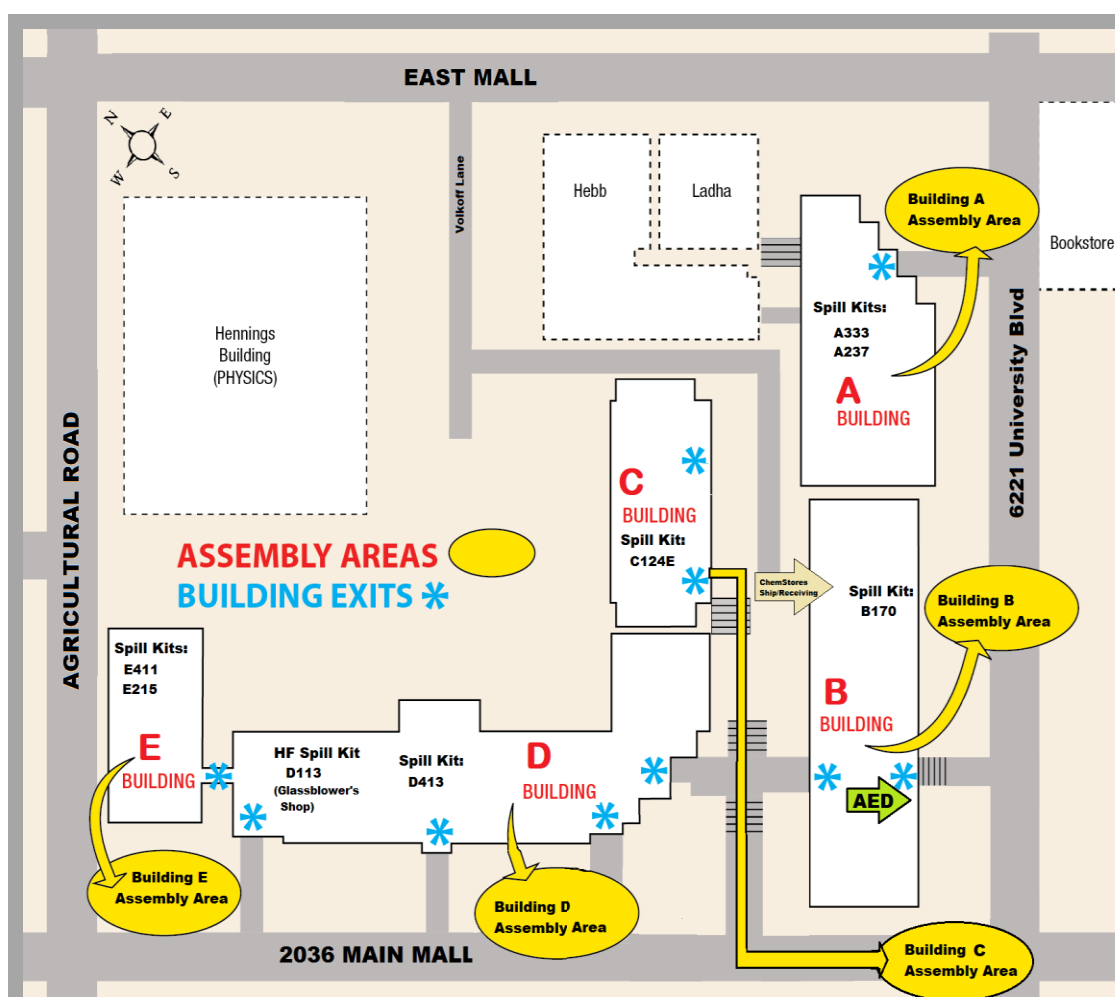

Bldg A	NAME	PHONE
A204	Bolduc, Trevor	2-4442
A215	Nadeau, Ben	2-8296
A219	Scott, Sabrina	2-8296
A215	Thompson, Maxwell	2-8296
A220	Teindl, Kaeden	2-5834
A227	Nichols, Eva	2-3187
A237	Wright, Helen (OFA2)	7-5216
A346	Lin, Eric	2-6782
A421	Kukor, Andrew	2-4132

Bldg B	NAME	PHONE
B170	Vered, Elan	2-6849
B170	Suen, Jeff	2-3865
B270E	Willes, Becca	2-3498
B460	Ezhova, Maria	2-6787

Bldg C	NAME	PHONE
C224/6	Huang, Xiaolin	7-5829
C224/6	Stoodley, Robin	7-5829
C324/6	Valdes, Lourdes	2-6878
C424/6	Gogoulis, Athan	2-4862

Bldg D	NAME	PHONE
D113	Ditchburn, Brian	2-6753
D234	Fried, Sabrina	2-2189
D240	Gregson, Florence	2-2129
D312	Emma Davy	2-4979
D344	Nadine Borduas D.	2-4435
D416/411	Nyamayaro, Kudzi	7-5667
D417/20	Poisson, Jade	2-5563
D417/20	Pym, Angelica	2-5563
D428	Bieber, Paul	7-5485
D428	Zeleny, Anna	7-5485

Bldg E	NAME	PHONE
E111	Guo, Jian	7-2196
E313	Lai, Jenny	7-4212
E213	Straus, Suzana	2-2537
E313	Hua, Larry	7-4212
E413	Kandel, Raksha	2-3709
E415	Mody, Urmi	7-2196

**AED LOCATED AT:  
Lobby Area near  
Lecture Hall B250**

**Chemistry Safety Office**  
Office: (604) 827-5216  
Cellphone: (604) 345-5380

**FIRE POLICE AMBULANCE  
SPILLS RESPONSE**  
(approx. 15-60 min. response time) **911**  
And Call Campus Security **604-822-2222**

**CAMPUS EMERGENCY  
FIRST AID ASSISTANCE** **911**  
(approx. 5-15 min. response time)  
Then call:  
For students & visitors, call **604-822-2222**  
For faculty, staff & student-staff, call **604-822-4444**

Non-Emergency Numbers:	
Ambulance	872-5151
Fire Dept.	665-6010
Campus RCMP	224-1322
UBC/SRS Main Office <i>For after hours or weekend assistance call Campus Security</i>	822-2029
Campus Security	822-2222
Poison Control	682-5050
Student Health Services	822-7011
Trouble Calls <i>24 hours/day - for floods; failure of elevator/electricity/fumehoods etc.</i>	822-2173

### Clearly state incident location and nature of Emergency.

First Aid Tips:	BURNS:	Flush injury for 20 minutes with cool water.
	CUTS:	Stop the bleeding with direct hand pressure.
	FALL/UNCONCIOUSNESS:	Since there may be serious unseen injuries, DO NOT MOVE the patient unless there is a life-threatening situation. Keep the patient warm.
	CHEMICAL EXPOSURE (eyes/skin):	Flush injury for 20 minutes with cool water.

- SPILL KITS:**
- Are located outside of Rooms: **A237 A333, B170, C124E, D413, E215 and E411**
  - Hydrofluoric Acid Kit is located: **IN the Glassblower's Shop D113**
  - DO NOT WORK ALONE!**
- For spill clean-up advice, contact: **ChemDept Safety Office (604-827-5216); or**  
For after hours or weekend assistance call **Campus Security** and request that they contact **UBC/SRS**
- For spills greater than **1L of flammable, toxic or hazardous chemicals, contact 911 for assistance.**

**FIRE EXTINGUISHERS** are for use on **SMALL FIRES** only. **DO NOT WORK ALONE!**

- FIRE BELL RINGING:**
- Intermittent = Standby alert**
  - Solid ring = Evacuate**
- Stop all procedures - turn off all appliances and gas valves.
  - After the last person has left the room, **CLOSE ALL DOORS (DO NOT LOCK).**
  - EXIT BUILDING IMMEDIATELY - DO NOT USE THE ELEVATOR.**
  - DO NOT RETURN** until the Fire Warden has announced "ALL CLEAR"
